Dear Sponsors and Donors,

As we come to the end of our Jubilee year celebration, we thank God for all that He has provided during this most difficult year. We are hopeful that just as the Jubilee year is coming to an end, the pandemic that has changed all of our lives is also coming to its end.

To commemorate our Jubilee year celebration and to document the history of our Church and its community, we are producing a commemorative book that will include historical facts, events, and pictures documenting the history of St. Catherine of Alexandria from the time of its founding through the current times. This book will be provided to every registered parish family, as well as a gift for select sponsorship levels, so that the wonderful history of our parish can be shared with loved ones now and in the future.

As part of the commemorative book, and as a means to defray the costs of producing the book, we are offering individuals, families, ministries, and organizations an opportunity to be included in the book in support of the parish. We welcome your advertisement endorsing your business, family, or including your ministry's congratulatory message, which will be printed in the commemorative book. Donations received in excess of the cost of the book will be contributed to a commemorative anniversary display.

If you are interested in participating and supporting the production of this historical document, please fill out the request accompanying this letter along with a check for the sponsorship of your choice and return to St. Catherine of Alexandria at the address provided. You can also place your request along with a check in an envelope and place it in the collection box at Mass. The sponsorship space provided in the commemorative book is limited and provided on a first come, first served basis. Please submit your sponsorship request by June 15, 2021.

Thank you for your continued support for our Parish and clergy. We have lived through a difficult year together and will emerge from this experience in even stronger embrace of our parish vision: *One God, One people in Christ, One community of love guided by the Holy Spirit to impact lives.*
